Dear PROF S PROCTOR

**THE MEDICINES FOR HUMAN USE (CLINICAL TRIALS) REGULATIONS 2004 S.I. 2004/1031**

<b>Old CTA Number</b>	<b>17136/0001/001</b>
New CTA Number	17136/0231/001
Eudract Number:	1111-111111-11
Product:	Vinblastine Sulphate 1mg/ml
Protocol number:	2611

**NOTIFICATION OF CHANGE OF CTA NUMBERS**

I am writing to confirm that the CTA number previously quoted on all our prior communications has been amended due to the case being migrated. This has resulted in a new CTA number being generated. Due to the CTA number changing, we are required to reissue all prior correspondence quoting the new, correct CTA number, so that your copies can match the copies on our system.

Please find enclosed duplicates of amendment confirmation letters that you have previously received from us, however they now carry the correct corresponding CTA number. Also note that in any future communication you should use the New CTA Number listed above

Yours sincerely

**Clinical Trials Unit  
MHRA**
